Farewell Tours – Thank You for 35 Wonderful Years!

After much thought, and with a heavy heart, I've decided that Jamesway Travel will be coming to an end after 35 amazing years of coach holidays and we will be closing the end of March 2026

Like many independent businesses, especially in travel and leisure, we never fully recovered from the Covid years. With fewer customers and rising costs, it feels like the right time to bow out gracefully and for me to step into an active retirement.

I want to say the biggest thank you to all of our lovely customers who have supported Jamesway Travel over the years. You've given us the chance to trade for 35 years, and I hope we have given something back in the form of happy holiday memories and community support along the way.

Special thanks must go to Sarah and Ann for their excellent work, and Robinsons Coaches and their brilliant drivers who have helped make so many of our tours special.

To celebrate our journey, we'll be running a series of Jamesway Farewell Tours until the 30th March 2026. These will be a chance to enjoy some favourite destinations, share memories, and travel once more with friends old and new.

From the bottom of my heart – thank you for the memories. **James**
